Medication Found

One of the children at the Ark found two halves of a paracetamol tablet on the floor recently. Thankfully they gave it straight to their parent.

Please can everyone be careful when they take medication in church – if you drop a tablet, and can't find it or reach it, please let someone know so we can ensure no-one gets hurt.

If you see someone sleeping rough, the main thing to do is talk to them – help them feel valued and less lonely. Then you could buy them a hot drink.
