Church Shed and Children's Room

You may (or may not!) know that we have a shed at the back of church, which is in a bad state, and needs to be replaced.

At the same time it is becoming more and more clear that we need a space for working with children on Sunday mornings.

The PCC have decided to explore whether we can solve those two problems at once, by building an extension at the back of church (where the shed and the bins currently are) to include a large storage area, a children's room, and a second toilet with baby-changing facilities.

Health warning: nothing is happening yet!

Tamworth Road Resurfacing

Last year the main road was resurfaced – and let's be honest, the contractor didn't do a great job – it has already worn away in places.

I have spoken to our County Councillor – Alastair Little – who is pushing for the worst sections to be repaired (free of charge).

He asks that more local residents write to him about it, to bolster his case for the work to be done. So if you feel strongly about it, please email him with your complaint, and ask that he push for the road to be repaired. His email address is alastair.little@staffordshire.gov.uk

Are you all for Jesus? *Mother Teresa*

New Bibles

We have used Peter Edridge's legacy to replace the blue church Bibles.

If you gave one in someone's memory, and would like to keep the dedication plate or the Bible itself, please speak to Ben or a Warden.

Otherwise the Bibles will be given away and sent overseas.
