15th October 2020

Dear

Annual Meetings

As you may be aware our Annual Meetings are to be held on 31st October 2020 at 10am.

These will be in the form of an online Zoom meeting, as it is not restricted in number, and **NOT** in the church building. There will also be an option to dial-in via telephone for those who do not have any internet connection. If you would like to join in the meetings whether by Zoom or telephone then please either send an email to hello@amington.church or call 01827 62573 and leave a message.

Earlier in the year we posted out to the church membership the Annual Report and set of accounts for 2019. These are both available on our website here:

www.amington.church/annual-meetings-2020

Should you require a paper copy of either prior to the meeting then please contact the church office by emailing hello@amington.church or calling 01827 62573 **before 9am on Tuesday 27 October 2020**, and we will ensure you receive the required documents.

We look forward to seeing you all at the meetings.

God bless,

Revd Ben Green
Vicar of Amington
